1. Comment. On 22 June, elements of the 24th Gds Mech Regt of the 7th Gds Mech Div were loaded at Berlin-Schoeneweide railroad station. Lieberose was previously indicated as destination. 25X1
2. Comment. The loading of elements of the 32d AAA Div at Kuestrin-Kietz railroad station on 23 June and the departure to Kroepelin was reported previously. 25X1  
25X1 confirms an unidentified AAA Regt of the division up to 23 June 1954. 25X1
3. Comment. It appears that except for one shipment which moved from Wurzen to Schwepnitz on 3 May, the elements of the 8th Gds Mech Div stationed in Wurzen were still at the post in mid-June. 25X1  
25X1
4. Comment. Orders for locomotives indicated that three trains were to run from Justerbog to Lieberose on 9 July. 25X1  
25X1 The present report indicates that units of the 7th Gds Mech Div engaged in combat firing in the Jueterbog area from 4 June to 9 July.
5. Comment. The information is rather vague and it can only be concluded that the first two shipments carried artillery units to Ohrdruf or Kindel or to both places. The third train probably carried equipment only. 25X1
